## Army Emergency Relief Campaign Begins

This year's Army Emergency Relief Campaign kicks off April 2, 10 a.m. with a ceremony in the Swabian Special Events Center, building 2317, Patch Barracks. The campaign will continue until May 15. Created in 1942 the AER campaigns were first established in 1947 to increase awareness of AER and sustain relief assistance for eligible Army personnel and family members. They include active duty soldiers, retired soldiers reserve soldiers on active duty 30 or more consecutive days and widows and orphans of soldiers who died on active duty or after retirement.

As a non-profit organization, 95 cents of every dollar contributed to AER is used to assist soldiers and family members. Last year AER provided \$38 million in assistance to almost 56,000 soldiers and their families. This assistance, which included interest-free loans, grants and scholarships, was made possible by generous individual contributions.
